FAQ
Microsoft Azure Virtual Training Day: Azure Data Fundamentals

Q: Where is the Microsoft Azure Virtual Training Day: Azure Data Fundamentals hosted?

The Microsoft Azure Virtual Training Day: Azure Data Fundamentals is an online event. After you register online, you will receive a confirmation email containing the log-in link that you will need to attend the virtual training.

The log-in link will go live 15 minutes before the start of the virtual training.

Q: How much will it cost to attend?

The Microsoft Azure Virtual Training Day: Azure Data Fundamentals is a free virtual event.

Q: How will I know if I have been registered for this virtual training session?

Check your inbox after you have registered. You will receive a confirmation email shortly after registration. If you do not receive the registration email, please check your junk/spam folder. If you cannot locate the confirmation, please email eventsau@microsoft.com

Q: How will I get the discount to take the DP-900 certification exam for free?

If you attend the entire virtual training, you will be eligible to receive the exam at a 100% discount (discount applies once only). The discount will be applied when you schedule the exam by entering the email address used to register for the event.

Q: How can I schedule my DP-900 certification exam for free?

Once you have completed Part 1 and Part 2 of the virtual training, you are eligible to take DP-900 certification exam at no cost. Follow the instructions below to schedule your exam:

- 4-5 business days after the event has concluded click to view the exam details
- Click the Schedule Exam button to begin the online registration process (select 'Schedule with Pearson VUE')
- Sign in or create a Certification Profile
- Navigate to the exam discounts page and enter the EMAIL you REGISTERED for the event with. You must link your account to receive discount – please see here for further information.
- You will see the $0 cost upon checkout of scheduling your exam

Q: When can I schedule to take the exam for free?

Please wait 4-5 business days after the event to schedule your exam. For issues with your exam redemption, please open a case with Certification Support

Q. I missed a session in this virtual training. Will I still qualify for the discount?

You must attend all modules in the Microsoft Azure Virtual Training Day: Azure Data Fundamentals. If you miss a single module, you will not qualify to receive a discount to take the exam for free.

However, you can undertake the Azure Data Fundamentals Learning Path on Microsoft Learn for the content that you missed to prepare for your exam and sign-up for the DP-900 certification exam at your own cost.

Q. Is there a deadline to redeem the discount to take the exam at no cost?

The discount offer will expire 3 months after the event date.

Q: Can I share this virtual training with my colleagues?

Of course. Feel free to share the registration link to those who may be interested to attend. Please do not share direct links to view the virtual events, as these are unique to each registrant.

Each attendee must have their own registration to receive the exam discount.

Q. Will I be receiving a copy of the recording of this virtual session?

No. Unfortunately, the recording is not available for this virtual session. However you can download the slides from the resources widget. Here are some additional resources that you might find useful:

- Refer to the Azure Data Fundamentals Learning Path on Microsoft Learn to increase your chances of passing the DP-900 certification exam .
